Re: Report and Order Terminating Term of Probation

On July 1, 2004, Jiu Ying Wang was sentenced in the District Court of the Northern Mariana Islands for Attempted Improper Entry by an Alien, in violation of 8 U.S.C. §1325(a). She was ordered to serve a one year probation term with conditions to include: pay a special assessment fee of \$10.00; not commit another federal, state, or local crime; not unlawfully possess a controlled substance, and drug testing was suspended based on the court's determination that the defendant posed a low risk of future substance abuse; comply with the standard conditions of probation as set forth by the U.S. Sentencing Commission; and perform 200 hours community service.

Ms. Wang paid her special assessment fee on July 1, 2004, and completed her 200 hours of community service on September 8, 2004. She also maintained compliance with all other conditions of release.

Ms. Wang's probation expired on June 30, 2005. Therefore, it is recommended that she be discharged from probation and the proceedings in this case be terminated.

RESPECTFULLY submitted this 19th day of July 2005.
